

Environmental Impact Assessment Report

Volume 4: Appendices

July 2022

Tionscadal Éireann
Project Ireland
2040

Table of Contents

Table of contents

Chapter 1 Introduction

- A1.1 EIA Screening Report
- A1.2 Informal EIA Scoping Report
- A1.3 Informal EIA Scoping Reponse Report

Chapter 3 Alternatives

- A3.1 Public Consultation No.1 Consultation Findings Report (2021)
 - Appendix A Press Clippings from PC1 Launch
 - Appendix B Presentation provided to Elected Reps
 - Appendix C Frequently Asked Questions from PC1
 - Appendix D PC1 Brochure (English version)
- A3.2 Public Consultation No.2 Consultation Findings Report (2022)
 - Appendix A Press Clippings from Public Consultation no.2 Launch
 - Appendix B Frequently Asked Questions Sheet from PC2
 - Appendix C PC2 Brochure (English version)
 - Appendix D Press Clippings from Local Ashtown Public Consultation
 - Appendix E Local Ashtown Public Consultation Leaflet
- A3.3 Option Selection for Overhead Line Equipment (OHLE) intervention at OGB5, OGB11 and OGB14
- A3.4 Depot Site Selection Supplementary Report

Chapter 4 Description of the Proposed Development

- A4.1 Connolly Design Report
- A4.2 Spencer Dock Station Design Report

Chapter 5 Construction Strategy

- A 5.1 Construction Environmental Management Plan

Chapter 6 Traffic and Transportation

- A6.1 Tables and Figures
- A6.2 Traffic Impact Assessment
- A6.3 Construction Traffic Management Plan
 - Appendix A Compound Overview
 - Appendix B Compound Haulage Routes

Chapter 7 Population

- A7.1 Land Use Classifications

Chapter 8 Biodiversity

A8.1 Water Quality Report

Chapter 11 Hydrogeology

A11.1 Screening Process

Chapter 12 Air Quality

A12.1 Ambient Air Quality Standards
A12.2 Potential Dust Generating Activities
A12.3 Detailed Modelled Results
A12.4 Dust Mitigation

Chapter 14 Noise & Vibration

A14.1 Baseline Vibration Monitoring for Dart+ West EIAR
A14.2 Baseline Noise Monitoring for Dart+ West EIAR
A14.3 Construction Noise Source Data

Chapter 20 Archaeology and Cultural Heritage

A20.1 Recorded Archaeological Sites
A20.2 Legislative Framework Protecting the Archaeological Resource
A20.3 Site Inspection Report
A20.4 Geophysical Survey Report
A20.5 Mitigation Measures and the Cultural Heritage Resource

Chapter 21 Architectural Heritage

A21.1 Protection of the Architectural Heritage Resource
A21.2 Built Heritage Structures
A21.3 Demesnes
A21.4 Conservation Report
A21.5 Broome Bridge - Architectural Heritage Impact Assessment
A21.6 Castleknock Bridge - Architectural Heritage Impact Assessment
A21.7 Cope Bridge - Architectural Heritage Impact Assessment

Chapter 22 Electromagnetic Effects and Stray Current

A22.1 Site Survey Plots

Chapter 26 Cumulative Effects

A26.1 ESB Networks – Substation Connections
A26.2 ESB Networks – Hansfield Feasibility Report

A26.3 Stage 1 and Stage 2 Cumulative Effects Assessment
